INKZALL™ Deep Reach Ultra-Fine Point

INKZALL™ DEEP REACH ULTRA-FINE POINT

Deep Reach Design - 30mm Tip designed to make markings in hard-to-reach and tight areas such as drilled holes and electrical boxes.

Built to resharpen - Colar can be pushed back, and Tip can be snipped off if it wears away.

Durable marker tip - Versatile marking on concrete, OSB & rough jobsite surfaces.

Quick dry time – reduced smearing.

Marker continues to write after 72+ hours of cap off time.
