SDS-Plus M2 Set GB - 5 pcs

SDS-PLUS M2 DRILL BITS - 2 CUT

Breaker Points. 3 offset aggressive power breakers. These produce a "Demolition" effect and create micro cracks in the drilled material. Up to 25% FASTER

Centering tip. Ensures immediate spot drilling with pin point accuracy. Prevents skidding on smooth surfaces

Enlarged rebar chamfers. Prevents side tip damage when hitting rebar. Reduces the risk of the drill bit jamming when hitting rebar

Tapered shoulder design. Thinner shoulder towards drill tip for less friction providing for greater speed. Ideal for cordless hammers identified from its tapered shoulder geometry

Reinforced flute. High volume flute geometry for optimum dust removal. Reinforced flute design (thicker core) gives: - Full power transfer to the tip. - Lower vibrations. - Exceptional break resistance, less breakages and best durability

Made in Germany

FASTEST: New aggressive tip geometry with 3 chip breakers demolishes the concrete quicker and a tapered shoulder design minimises friction enabling the M2 drill bit to deliver faster drilling speed

DURABILITY: Rebar chamfers on the tip prevent side tip damage when hitting metal reinforcement and a thicker core body ensures higher power transfer, lower vibrations and less flute breakages

Article Number	4932352834
Contents	⌀ 5.5 x 110 mm and ⌀ 5.5 / 6 / 7 / 8 x 160 mm
Pack quantity	5
Supplied in	Plastic container
