INFORMATION

1. Right to withdraw from the purchase contract

If you are purchasing as a consumer, you have the right to withdraw from this purchase contract without giving any reason within **14 days from the receipt of the goods.** The withdrawal period expires after 14 days from the day on which you or a third party designated by you, other than the carrier, take possession of the goods, or from the day of conclusion of a contract for the provision of services, or from the day of conclusion of a contract for the supply of digital content not supplied on a tangible medium. The withdrawal period is deemed to be met if you send the notice of exercising the right to withdraw from the purchase contract before the withdrawal period expires. If the subject of the purchase contract is the purchase of goods, you may withdraw from the purchase contract even before the withdrawal period begins.

2. Consequences of withdrawal from the contract

Upon withdrawal, we will refund all payments you have made in connection with the conclusion of the purchase contract, in particular the purchase price including the costs of delivery of the goods to you. This does not apply to additional costs if you have chosen a method of delivery other than the cheapest standard delivery method offered by us, nor to the costs of additional services if they were the subject of the contract and were fully provided. **Payments will be refunded to you** without undue delay and in any event no later than **14 days** from the day on which we receive your notice of withdrawal from this purchase contract. The refund will be made using the same means of payment as you used for the original transaction, unless you have agreed otherwise by providing the IBAN of your bank account, and without charging any additional fees. We **may withhold the refund until the goods have been returned** to our address or until you have provided proof that you have sent the goods back, whichever occurs first. **Please send the goods back** or deliver them to the registered office address of the company without undue delay and in any event no later than **14 days from the day on which you exercised your right of withdrawal from the contract.** You shall bear the direct costs of returning the goods.
Please note that in the event of withdrawal from the purchase contract, **you are liable** under the law **for** any **reduction in the value of the goods** resulting from handling the goods from the time of receipt until the time of return in a manner other than what is necessary to establish the nature, characteristics, and functioning of the goods. If you requested **the provision of services to begin** during the withdrawal period, you are obliged to **pay us for the services actually provided** up to the date on which you notified us of your decision to withdraw from this contract.
